Coal Creek Receives International Recognition by Golf Inc. Magazine

Coal Creek Golf Course was awarded second place internationally for Redevelopment of the Year by Golf Inc., a leading magazine with the most distinguished competitions in the golf industry.

Redevelopment of the Year is a new award recognizing golf courses around the world who have gone above and beyond in their renovations to not only include significant capital improvements to the facility, but have creatively restructured their entire business model to set the pace for the future of the golf industry. Coal Creek finished second to Turnberry Golf Club in South Ayrshire, Scotland.

Coal Creek Golf Course is proud to have been recognized for its innovative vision, business plan and aesthetics.
