

# Get Enlightened.

## FREE SOLAR WORKSHOP

### This workshop will shine the light on all things solar!

Come learn about how to Go Solar! Get **FREE** lunch and be eligible for **FREE** EnergySmart Home Assessment (regularly \$185), and a drawing for an e-Gauge Home Energy Monitoring System worth \$700.

At the workshop, you will learn about:

- Market conditions for solar in Lafayette and Louisville
- Solar considerations and options for your home
- Resources, navigating solar choices and what to do first
- Financing options and incentives
- Technology and policy

The workshop is brought to you by the cities of Lafayette and Louisville, in partnership with Xcel Energy, Boulder County EnergySmart, the Colorado Solar Energy Industry Association (COSEIA), and Colorado State University Extension.

Questions? Contact Antoinette Maes, Lafayette Sustainability Consultant:
