Your membership will help us continue to **protect and preserve the unique history and cultural character of Louisville to share with our community, visitors to community, and future generations.**

The mission of The Louisville History Foundation is to help stimulate broad-based support for local history and the Louisville Historical Museum, and encourage the development of the Museum through fundraising, advocacy and education.

The Louisville Historical Museum, a facility owned and operated by the City of Louisville, **promotes, collects, preserves, and interprets the diverse history of Louisville from the time of settlement until present day, with a special emphasis on the coal mining period, 1877-1955.** The museum is dedicated to protecting artifacts and documents of historical value and educating children and adults about the past.
