The City has made the decision to close all facilities in an effort to protect public health and prevent the spread of COVID-19. We continue to provide essential services and are conducting non-essential services remotely if possible. I appreciate your patience and understanding if you experience a longer response time than usual.

Dear Reviewers,

We live at 920 Rex Street, directly to the east of 908 Rex Street. We have lived in our home since 1988. We applaud the new owners' willingness to preserve/reclaim the existing structure's architectural integrity, especially given the likely alternative of complete destruction.
