

Online Resources for Students, Teachers and Parents

The Louisville Public Library has a plethora of online resources students, and their parents and educators can access to aid in both scholastic pursuits and personal entertainment.

From educational databases and newspapers, to book recommendations and craft tutorials, we have a vast collection of virtual offerings to support our patrons. Check out the following resources and more at louisvilleco.gov/remotelearningresources.

GET A LIBRARY CARD

Many of our online resources require a library card to access them from home. Students can access the Library's resources with their **Student ID**. Parents and teachers can get an e-card on our website, louisvilleco.gov/ecard

ASK A LIBRARIAN

Need some research assistance? Maybe you need help finding resources for your lesson plan? Whatever your research needs, our librarians are here to help. Send us an email at ref_desk@louisvilleco.gov.

WE BROWSE FOR YOU

Need help finding what to read next? Looking for homeschool materials or resources for an assignment? Let one of our librarians hand-pick books just for you. Check out our We Browse for You service for materials for Adults, Teens, Children's Chapter Books, and for Picture Books and Easy Readers! Visit our website and fill out the eform to request materials: louisvilleco.gov/webbrowseforyou

NEWS/MEDIA ARTICLES

The Daily Camera

Explore Boulder history through local news, events, and people with the Daily Camera Collection. Search current and archived issues with full-color newspaper pages, full-text articles and content only published online.

New York Times

Away from the Library, on any device, use this link to access a code for a renewable 72-hour subscription. Access to articles from 1851-1923, and 1980-today.

HOMEWORK AND STUDY HELP

CultureGrams

An insider's perspective on daily life and culture, including the history, customs, and lifestyles of the world's people.

Explora Elementary School

Designed for elementary school researchers with simple search for articles, essays, and primary source documents; easy-to-browse topics, and overviews to help students find a starting point.

Explora Middle School & High School

Designed for middle and high school researchers with simple search for articles, essays, and primary source documents.

PebbleGo

An award winning PreK-3 database for reading and research that includes Animals, Earth and Space, Social Studies, and Biographies. Leveled text, educational games, and videos support your youngest researchers.

Opposing Viewpoints in Context

This cross-curricular research tool supports science, social studies, current events, and language arts classes. Its informed, differing views present each side of an issue and help students develop information literacy, critical thinking skills, and the confidence to draw their own valid conclusions.

Testing & Education Reference Center

Prepare for ACT, GED, SAT, and others; search colleges and scholarships; get help for application essays and resumés.
