**Commemorative
Tree
Program**

How the Program Works.

Commemorative Tree Program allows citizens to donate trees to the City.

Trees may be planted in any city park, city right-of-way or the golf course provided irrigation is available. The City Forester will assist you in selecting and locating your donation. Trees may be donated to celebrate the birth of a child, achievement of personal milestone or because you love trees. Louisville's Parks and Recreation Department will plant and maintain the tree on your behalf.

Your donation will be recognized in the form of a bronze plate attached to the tree donation plaque located in the Louisville Recreation Center.

The cost is \$350 per tree, inclusive of the bronze plate.

Your donation may be tax deductible, please consult your tax advisor.
