

Coal Creek Trail

Some Sections Open

The trail is still being reconstructed, but some sections are open for use. Enjoy the trail, but if you come to an active work area do not enter!

We anticipate reopening the Coal Creek Trail in September of 2014.

Coal Creek Golf Course

CLOSED - NO TRESPASSING

All sections of the Coal Creek Golf Course are under construction. For everyone's safety and to ensure that none of the newly constructed facilities are damaged, the facility is closed to public use.

Accessing the golf course during construction activities will only slow repairs and it could increase costs.

ALL public access is prohibited on the Coal Creek Golf Course at all times. Violations may result in a fine of up to \$2,650 per Louisville Municipal Code Section 1.28.010

The Coal Creek Golf Course will reopen in the Spring of 2015.

If you have questions about the construction, please call 303.335.4735.

To report a trespass violation, please call 303.441.4444.
