DESIGN BUILD SERVICES
FOR
COTTONWOOD PARK PLAYGROUND REPLACEMENT PROJECT

The City of Louisville (the “City”) is soliciting proposals from qualified vendors providing commercial playground equipment (“Respondents”) to work with City staff for project specific design and construction services for the Cottonwood Park Playground Replacement Project in the City of Louisville.

The Cottonwood Park playground is an older playground and replacement parts for the play equipment are no longer available. The playground has access issues and does not meet Americans with Disabilities Act (ADA) requirements. The goal of this renovation project is to replace the old and outdated playground with a new playground that is inviting, fun and meets or exceeds ADA requirements, and creates a positive first impression of Louisville’s Parks. The City of Louisville is specifically interested in nature themed play equipment for Cottonwood Park.

The scope of the project includes: (1) assistance with design services; (2) construction document preparation services; (3) prep graphics for public outreach / stake holder meetings; (4) demolition and removal of the existing playground and playground components. (5) site work and grading; (6) utility coordination and protection; (7) Construction/installation of site and playground elements that are creative, inviting and suitable for children 2-5 years of age and also for children 5-12 years of age. Elements may include but are not limited to, poured in place safety surfacing, wood fiber, play equipment, site furnishings concrete, concrete curbing and flatwork; (8) site cleanup and restoration

RFP Responses shall be submitted via email to the Parks, Recreation and Open Space Department Office located at 717 Main Street by 10:00 a.m. MDT, on Tuesday July 20, 2021.

Digital copies of the revised Request for Proposal will be available beginning July 8 on-line through [Rocky Mountain E-Bid System](#).

Any submittals received after due date and time will be returned to the offeror.
