Exhibit Details

The Louisville Public Library strives to inform, involve, and inspire those we serve. The Library is an inclusive space, celebrating the diversity of our community. The Library seeks to display work created by artists from diverse backgrounds as well as artwork in a variety of mediums and formats. In alignment with its role as a community gathering place, the Library makes its exhibit and display space available to organizations engaged in educational, recreational, cultural, civic or charitable activities as scheduling permits.

Gallery Space

- Artists are encouraged to visit the library to view the available space prior to submitting applications.
- The Library's hanging system is to be used to display the artist's work(s). The Gallery uses a track-and-cable system. The stainless steel cables are moveable and can support 50-60 pounds.
- To prevent damage to gallery walls or the display hardware, we ask that artists not modify the system or use any other means to hang or attach art to the walls.
- The Gallery also has two locking glass cases with adjustable/removable tempered glass shelves.
- Each case measures 72" H x 24" W x 24" D, with a 60"H display area on a 12"H base.
- An artist may be offered the opportunity to display work in all or part of the Gallery space and may share the exhibit space with other artists.
