Second Reading Amendments

Ordinance No. 1832, Series 2022 is revised to read as follows (amendments are shown in **bold underline**
and **~~bold-strikeout~~**):

**ORDINANCE NO. 1832
SERIES 2022**

**AN ORDINANCE AMENDING TITLE 9, ARTICLE VIII OF THE LOUISVILLE
MUNICIPAL CODE PROHIBITING THE CARRYING OF FIREARMS IN CERTAIN
PUBLIC PLACES**

WHEREAS, the City of Louisville respects the rights of law-abiding citizens to carry
concealed handguns in public places where it is safe and lawful to do so; and

**WHEREAS, gun violence poses a grave threat to public safety, public health, and
public education in the City of Louisville. Statewide in Colorado, guns are the leading cause**

of death for children ages 1–17 and cause the deaths of nearly 2/3 of women who are killed by intimate partners; and

WHEREAS, there are certain areas where firearms pose an acute risk to the health and well-being of children, office workers, and members of the public; and

WHEREAS, the presence of firearms at government buildings and offices, polling places, ballot counting facilities, and public demonstrations poses a serious threat to First Amendment rights, voting rights, and the functioning of our democracy; and

WHEREAS, people carrying handguns in public buildings and at crowded public events – including financial institutions, sporting venues, courthouses, hospitals and medical or mental health facilities, theaters, houses of worship, and similar locations – create unnecessary risks of intentional or accidental shootings, increase the risk of lethal disputes between members of the public, and increase the risk that a law-abiding citizen’s weapon will be stolen and used by someone else to harm or threaten employees or the public; and

WHEREAS, courthouses and hospitals in particular are the site of high-stakes, emotional events and may be frequented by people in crisis who do not have a choice other than to be there. Allowing the carry of concealed firearms in such locations increases the risk of intentional or reckless violence or violence fueled by mental health crises and raises the possibility that everyday disagreements will escalate into shootouts; and

WHEREAS, the presence of firearms in places frequented by children and families – including parks, playgrounds, community and recreation centers, and daycare centers – poses unreasonable risks to children, particularly of unintentional shootings and firearm misuse, as well as trauma that can result from mishandled firearms or gun violence; and

WHEREAS, firearms pose a substantial danger in the vicinity of intoxicated people at facilities that serve alcohol, as research demonstrates a strong link between alcohol use and domestic violence, gun crimes, and self-inflicted firearm injuries; and

WHEREAS, the City Council finds it necessary to prohibit the open or concealed carrying of firearms in certain designated public places in order to protect the safety of its residents.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:
