Tips for Success

We are excited to have your child(ren) spend some time with us in Child Watch! Please let us know if there is anything we can do to make your child's stay more enjoyable. We strive to ensure a safe and fun environment for our youngest recreation center guests!

Dress

Dress for play in Child Watch! If your child is new to using the bathroom, please dress them in clothing that they can manage independently. Child Watch staff are not permitted to change

diapers or assist in toileting or dressing.

Snack

Keep snack simple and small. Children are in our care for 1.5 hours or less. We ask that meals are served at home and not brought into Child Watch. With a wide age-span of children, all snacks must be cut into small, bite-sized pieces.

No nuts/nut products. No chokables.

Label all containers, water bottles and snacks.

Contacting Parents

Please keep your phone available while you

utilized the center. Child Watch staff may text or call you if you need to return to Child Watch for any reason. Calls will show at "City of Louisville". Staff may also have you paged over the intercom.

Stay home at the onset of any illness. Children should be improved and symptom-free, without medication, for 24 hours before returning to care.
