

COLSON
BUILDERS

Planning Department,

This letter is in regard to the Subdivision request for 1209 Main Street.

The request is to split lot 3-4-5-6 of the Nicola Di DiGiacomo Addition from one parcel to two. Essentially, equal parts that conform to all 7,000 square foot lots in Old Town Louisville.

The town and the staff suggested this to save a historic building.

Thank you and let me know if any questions arise.
