

Child Watch

Louisville Recreation & Senior Center | Summer 2023

Child Watch is an amenity for parents/caregivers who are utilizing the Recreation & Senior Center. A parent/caregiver must stay in the facility while their child is in Child Watch.

Hours: Mon-Fri 9am-1:15pm | Sat 9am-12:30pm | Tu & Th 4:30-7pm

Utilizing Child Watch:

Step 1

- * Parent/guardian must check in at the front desk for their adult visit. Child Watch as it is an amenity for paid guests.

Step 2

- * Proceed to Child Watch, base in the Snow Owl Room.
- * Sign your child in, one child per line. Please print legibly including all required information. Child must be present at time of sign in.
- * Payment options: Child Watch Punch Pass, Child Watch Annual Pass (purchased separately from Recreation Passes), or Daily Visit.

Tips for Success

We are excited to have your child(ren) spend some time with us in Child Watch! Please let us know if there is anything we can do to make your child's stay more enjoyable. We strive to ensure a safe and fun environment for our youngest recreation center guests!

Dress

Dress for play in Child Watch! If your child is new to using the bathroom, please dress them in clothing that they can manage independently. Child Watch staff are not permitted to change

diapers or assist in toileting or dressing.

Snack

Keep snack simple and small. Children are in our care for 1.5 hours or less. We ask that meals are served at home and not brought into Child Watch. With a wide age-span of children, all snacks must be cut into small, bite-sized pieces.

No nuts/nut products. No chokables.

Label all containers, water bottles and snacks.

Contacting Parents

A parent/caregiver must remain inside the facility

when using Child Watch.

Please keep your phone available while you utilized the center. Child Watch staff may text or call you if you need to return to Child Watch for any reason. Calls will show at "City of Louisville". Staff may also have you paged over the intercom.

Illnesses

Help keep children and staff well. Do not bring children to care at the onset of any illness. Children should be improved, without medication, for 24 hours before returning to care. Parents will be asked to pick up any children that appear to be ill from care.
