We enthusiastically endorse the landmark and grant request for Gary Dunlap at 741 Lincoln Av.

Gary has one of the best representations of early 1900's Louisville homes in Old Town Louisville, particularly of those homes on our four corners of Lincoln and Spruce streets built in or around 1904. He has done any renovations/additions inside and out in keeping with the historic significance.

We are definitely in favor of the historic landmarking and any grants in keeping with Louisville's remaining historic structures.

James and Barbara Gigone, 801 Lincoln Av, Louisville
