

A photograph of a lush garden bed. The foreground is dominated by a dense carpet of small, bright yellow and orange flowers, possibly marigolds. To the right, there are taller plants with pink and red blossoms. In the background, a portion of a light-colored house with a dark roof is visible, along with a tree and other greenery. The scene is brightly lit, suggesting a sunny day.

A photograph of a modern, multi-story brick building with a complex, stepped facade. The building features large, dark-framed windows and a central entrance area. The brickwork is a mix of light and dark tones. The building is set against a clear blue sky. In the foreground, there is a paved area and some low-lying greenery.

An aerial photograph of the University of California, Berkeley campus. The central feature is the green quad, a large open space with a green lawn. Surrounding the quad are various buildings, including the red brick buildings of the Law School and the green building of the Graduate School of Education. The image shows the layout of the campus, including the paths and the surrounding urban environment.

GRIFFITH

A photograph of a stone wall and a stone bench in a garden. The wall is made of irregular stones, and the bench is made of large, flat stones. Behind the wall is a dense garden with various green plants and trees.

A photograph showing three large, cylindrical metal rainwater storage tanks installed in a garden. Two tanks are tall and positioned side-by-side, while a third, shorter tank is in front of them. They are connected by black pipes. The tanks are situated next to a wooden planter box filled with green plants. The background shows a wooden fence and more garden foliage.

A photograph of the R-URBAN building, a wooden structure with 'R-URBAN' written on its side. The building features a rooftop garden and a large group of people gathered on the steps and roof. The foreground shows lush green plants in a garden bed.

Useable outdoor green spaces
