SUMMARY:

26 Front Range residents submitted photographs depicting “Life in Louisville” for the 16th Annual Photography Contest. These photos chronicle events and daily life in Louisville, Colorado from January 1 to December 31, 2023 and, will be added to the City’s archives to serve as a cultural reference for future generations. All images are available for public viewing on the City’s website and all photographers have given the City permission to utilize the photos for City publications and marketing including the City website, social media, and outside publications.

This year, 76 photos were entered into the contest. We’d like to thank all of the respondents and encourage continued participation in future years. We would like to also thank local photographer Erin Cox for her time spent jurying this annual contest alongside City staff. During the jury process, entries were separated into 6 major categories: Downtown & Old Town, Nature & Landscape, People & Events, Animals, Sunrise & Sunset and Student Photography. Judges selected the winning entries in each category as well as an overall Grand Prize Award.

26 Finalist photos were selected and put on display at the Louisville Public Library. From February 5 to February 29, the public was invited to view the photos and to vote on the People’s Choice Award winner.

Each of the winning photographs documents a subject unique to Louisville and represents the history, community, and sense of place that makes Louisville a great place to live. Certificates will be presented to the winners of each category as we display the awarded images.

The jury requested that the winners of each category remain unknown until this presentation. Therefore, winners will not be revealed in this packet.
