

**SUBJECT: APPROVAL OF CONTRACT BETWEEN THE CITY OF
LOUISVILLE AND EIDOS ARCHITECTS FOR THE SCWTP
ADMINISTRATIVE BUILDING ARCHITECTURAL DESIGN**

DATE: SEPTEMBER 17, 2024

PRESENTED BY: KURT KOWAR, P.E., PUBLIC WORKS DIRECTOR

SUMMARY:

Staff recommends the approval of the architectural design contract with Eidos Architects, PC. in the amount of \$42,885 along with a 10% contingency of \$4,300 for the Admin Building Phase 1 initial design and CMAR selection.

In 2019, conceptual designs for an expansion of the Sid Copeland Water Treatment Plant (SCWTP) administrative building were developed. The administrative building was constructed in 1984 as part of a larger expansion project for the entire treatment facility. The SCWTP is the main location for all water treatment operations. The intent of the project is to improve the administration building to modern standards. The current building is maximizing the area to its full extent and lacks the area to accommodate any changes. An RFP was issued in April of 2024 for architectural design services to begin design work based on the previous preferred conceptual design. A voluntary pre-bid meeting was held with proposals due April 26th. A total of (5) five proposals were received as shown in the table below:

Architect	Phase 1 (Initial Design and CMAR Selection)	Phase 2 (Final Design & CM)	Total
Cairn Design	\$29,430	\$54,655	\$84,085
Markley Designs	\$47,960	\$47,430	\$95,390
Eidos	\$42,885	\$81,810	\$221,975
GSG	\$43,205	\$183,665	\$226,870
Anderson Hallas	\$42,016	\$174,202	\$313,066

After review of the proposals, similar projects completed, and references it is recommended that Phase 1 is awarded to Eidos. With approval of the 30% design phase Eidos and the City will begin the design work as outlined in the schedule below:

1.0 PARTIES

This AGREEMENT FOR CONSULTING SERVICES (this “Agreement”) is made and entered into this **1st** day of **October 2024** (the “Effective Date”), by and between the **City of Louisville**, a Colorado home rule municipal corporation, hereinafter referred to as the “City”, and **Eidos Architects, PC**, a **Colorado corporation** referred to as the “Consultant”.

2.0 RECITALS AND PURPOSE

- 2.1 The City desires to engage the Consultant for the purpose of providing **professional architectural** services as further set forth in the Consultant’s Scope of Services (which services are hereinafter referred to as the “Services”).
- 2.2 The Consultant represents that it has the special expertise, qualifications and background necessary to complete the Services.

3.0 SCOPE OF SERVICES

The Consultant agrees to provide the City with the specific Services and to perform the specific tasks, duties and responsibilities set forth in Scope of Services attached hereto as Exhibit “A” and incorporated herein by reference.

4.0 COMPENSATION

- 4.1 The City shall pay the Consultant for services under this agreement a total not to exceed the amounts set forth in Exhibit “B” attached hereto and incorporated herein by this reference. The City shall not pay mileage and other reimbursable expenses (such as meals, parking, travel expenses, necessary memberships, etc.), unless such expenses are (1) clearly set forth in the Scope of Services, and (2) necessary for performance of the Services (“Pre-Approved Expenses”). The foregoing amounts of compensation shall be inclusive of all costs of whatsoever nature associated with the Consultant’s efforts, including but not limited to salaries, benefits, overhead, administration, profits, expenses, and outside consultant fees. The Scope of Services and payment therefor shall only be changed by a properly authorized amendment to this Agreement. No City employee has the authority to bind the City with regard to any payment for any services which exceeds the amount payable under the terms of this Agreement.
- 4.2 The Consultant shall submit monthly an invoice to the City for Services rendered and a detailed expense report for Pre-Approved Expenses incurred during the previous month.

The invoice shall document the Services provided during the preceding month, identifying by work category and subcategory the work and tasks performed and such other information as may be required by the City. The Consultant shall provide such additional backup documentation as may be required by the City. The City shall pay the invoice within thirty (30) days of receipt unless the Services or the documentation therefor are unsatisfactory. Payments made after thirty (30) days may be assessed an interest charge of one percent (1%) per month unless the delay in payment resulted from unsatisfactory work or documentation therefor.

5.0 PROJECT REPRESENTATION

- 5.1 The City designates **Justin Ferron** as the responsible City staff to provide direction to the Consultant during the conduct of the Services. The Consultant shall comply with the directions given by **Justin Ferron** and such person's designees.
- 5.2 The Consultant designates **Lori Hanson** as its project manager and as the principal in charge who shall be providing the Services under this Agreement. Should any of the representatives be replaced, particularly **Lori Hanson**, and such replacement require the City or the Consultant to undertake additional reevaluations, coordination, orientations, etc., the Consultant shall be fully responsible for all such additional costs and services.

6.0 TERM

- 6.1 The term of this Agreement shall be from the Effective Date to **December 31 2025**, unless sooner terminated pursuant to Section 13, below. The Consultant's Services under this Agreement shall commence on the Effective Date and Consultant shall proceed with diligence and promptness so that the Services are completed in a timely fashion consistent with the City's requirements. Provided, however, times for performance shall be extended as necessary and Consultant shall not be deemed in breach or have liability due to delays caused by any factor outside reasonable control of the Consultant.
- 6.2 Nothing in this Agreement is intended or shall be deemed or construed as creating any multiple-fiscal year direct or indirect debt or financial obligation on the part of the City within the meaning of Colorado Constitution Article X, Section 20 or any other constitutional or statutory provision. All financial obligations of the City under this Agreement are subject to annual budgeting and appropriation by the Louisville City Council, in its sole discretion. Notwithstanding anything in this Agreement to the contrary, in the event of non-appropriation, this Agreement shall terminate effective December 31 of the then-current fiscal year.

7.0 INSURANCE

- 7.1 The Consultant agrees to procure and maintain, at its own cost, the policies of insurance set forth in Subsections 7.1.1 through 7.1.4. The Consultant shall not be relieved of any liability, claims, demands, or other obligations assumed pursuant to this Agreement by

reason of its failure to procure or maintain insurance, or by reason of its failure to procure or maintain insurance in sufficient amounts, durations, or types. The coverages required below shall be procured and maintained with forms and insurers acceptable to the City. All coverages shall be continuously maintained from the date of commencement of services hereunder. The required coverages are:

- 7.1.1 Workers' Compensation insurance as required by the Labor Code of the State of Colorado and Employers Liability Insurance. Evidence of qualified self-insured status may be substituted.
- 7.1.2 General Liability insurance with minimum combined single limits of ONE MILLION DOLLARS (\$1,000,000) each occurrence and TWO MILLION DOLLARS (\$2,000,000) aggregate. The policy shall include the City of Louisville, its officers and its employees, as additional insureds, with primary coverage as respects the City of Louisville, its officers and its employees, and shall contain a severability of interests provision.
- 7.1.3 Comprehensive Automobile Liability insurance with minimum combined single limits for bodily injury and property damage of not less than FOUR HUNDRED THOUSAND DOLLARS (\$400,000) per person in any one occurrence and ONE MILLION DOLLARS (\$1,000,000) for two or more persons in any one occurrence, and auto property damage insurance of at least FIFTY THOUSAND DOLLARS (\$50,000) per occurrence, with respect to each of Consultant's owned, hired or non-owned vehicles assigned to or used in performance of the services. The policy shall contain a severability of interests provision. If the Consultant has no owned automobiles, the requirements of this paragraph shall be met by each employee of the Consultant providing services to the City of Louisville under this Agreement.
- 7.1.4 Professional Liability coverage with minimum combined single limits of ONE MILLION DOLLARS (\$1,000,000) each occurrence and ONE MILLION DOLLARS (\$1,000,000) aggregate.
- 7.2 The Consultant's general liability insurance and automobile liability shall be endorsed to include the City, and its elected and appointed officers and employees, as additional insureds, unless the City in its sole discretion waives such requirement. Every policy required above shall be primary insurance, and any insurance carried by the City, its officers, or its employees, shall be excess and not contributory insurance to that provided by the Consultant. Such policies shall contain a severability of interests provision. The Consultant shall be solely responsible for any deductible losses under each of the policies required above.
- 7.3 Certificates of insurance shall be provided by the Consultant as evidence that policies providing the required coverages, conditions, and minimum limits are in full force and effect, and shall be subject to review and approval by the City. No required coverage shall be cancelled, terminated or materially changed until at least 30 days' prior written notice

has been given to the City. The City reserves the right to request and receive a certified copy of any policy and any endorsement thereto.

- 7.4 Failure on the part of the Consultant to procure or maintain policies providing the required coverages, conditions, and minimum limits shall constitute a material breach of contract upon which the City may immediately terminate this Agreement, or at its discretion may procure or renew any such policy or any extended reporting period thereto and may pay any and all premiums in connection therewith, and all monies so paid by the City shall be repaid by Consultant to the City upon demand, or the City may offset the cost of the premiums against any monies due to Consultant from the City.
- 7.5 The parties understand and agree that the City is relying on, and does not waive or intend to waive by any provision of this Agreement, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, § 24-10-101 et seq., C.R.S., as from time to time amended, or otherwise available to the City, its officers, or its employees.

8.0 INDEMNIFICATION

To the fullest extent permitted by law, the Consultant agrees to indemnify and hold harmless the City, and its elected and appointed officers and its employees, from and against all liability, claims, and demands, on account of any injury, loss, or damage, which arise out of or are connected with the services hereunder, if and to the extent such injury, loss, or damage is caused by the negligent act, omission, or other fault of the Consultant or any subcontractor of the Consultant, or any officer, employee, or agent of the Consultant or any subcontractor, or any other person for whom Consultant is responsible. The Consultant shall investigate, handle, respond to, and provide defense for and defend against any such liability, claims, and demands. The Consultant shall further bear all other costs and expenses incurred by the City or Consultant and related to any such liability, claims and demands, including but not limited to court costs, expert witness fees and attorneys' fees if the court determines that these incurred costs and expenses are related to such negligent acts, errors, and omissions or other fault of the Consultant. Notwithstanding the foregoing, Consultant's duty to defend, indemnify and hold harmless the City, and its elected and appointed officials and employees as set forth in this section shall only arise upon determination, by adjudication, alternative dispute resolution, or mutual agreement between Consultant and the City, of the Consultant's liability or fault. The City shall be entitled to its costs and attorneys' fees incurred in any action to enforce the provisions of this Section 8.0. The Consultant's indemnification obligation shall not be construed to extend to any injury, loss, or damage which is caused by the act, omission, or other fault of the City and is subject to the limitations in Colorado Revised Statutes Section 13-50.5-102.

Termination pursuant to this subsection shall not prevent either party from exercising any other legal remedies which may be available to it.

13.2 In addition to the foregoing, this Agreement may be terminated by the City for its convenience and without cause of any nature by giving written notice at least fifteen (15) days in advance of the termination date. In the event of such termination, the Consultant will be paid for the reasonable value of the services rendered to the date of termination, not to exceed a pro-rated daily rate, for the services rendered to the date of termination, and upon such payment, all obligations of the City to the Consultant under this Agreement will cease. Exhibit A – Scope of Services

PHASE ONE: PROGRAM VERIFICATION

We will kick off the project by meeting with your leadership and staff. We have reviewed the previous concept studies and want to use that as a launching point to start formal development of your goals and space needs into a more formal design. We will want to hear from you about what has changed, what might be missing, and plan for additional information needed to have a successful project.

Major Tasks

- o Evaluate existing background information, verify final programming and set project goals
- o Review budget, establish schedule and project phasing
- o Develop final concept plan maximizing feasibility and long-term needs

SCHEMATIC DESIGN (30%)

During Schematic Design we formalize the concept plans into the beginnings of the final building layout and refine the aesthetics of the exterior and interior spaces. Site information will be critical at this stage to understand the parameters of the available limited site area. Working with Kimley Horn on our team as civil engineer will be a great advantage due to their current involvement with the solids handling and residuals project at the WTP.

Major Tasks

- o Concept design workshops
- o Review and expand available site data, code and development requirements
- o Discuss options for Mechanical and Electrical systems for the building
- o Discuss sustainability options and set goals
- o Deliverables: Final Concept Plan and 3D Exterior Model
