

HISTORIC PRESERVATION MONTH PROCLAMATION MAY 2025

Whereas, the 1966 National Historic Preservation Act established the National Register of Historic Places and state historic preservation offices; and

Whereas, in May 1973 National Preservation week was established, which grew to National Historic Preservation Month in 2005; and

Whereas, local historic preservation revitalizes neighborhoods, promotes economic, social and environmental sustainability, and maintains community character while improving livability; and

Whereas, it is important to celebrate history and the significant contributions made by the diverse residents and cultures that came before us to build this community into what it is today; and

Whereas, the City of Louisville is proud to have 53 historic homes and 15 historic commercial properties that celebrate our past and are preserved for future generations; and

Now, therefore, We, the Louisville City Council, do hereby proclaim May 2025 as Historic Preservation Month in the City of Louisville.

DATED this 6th day of May 2025
