
MEMORANDUM

FROM: Michael O'Keefe: Engineering Technician for City of Louisville Public Works

DATE: Wednesday, August 6, 2025

RE: Road Closure: Front St. (Walnut St. to Spruce St.)

WSB will obtain drilled geotechnical samples in the downtown area. The current schedule for the work is Thursday, August 14, for approximately four hours.

Front St. will be closed north to south from Walnut St. to Spruce St. Half of the parking lot to the south of Steinbaugh Pavilion will also be closed. Site and traffic control plans can be seen on the following page. Please feel free to reach out to me with any comments or questions.

BORING LOCATION EXHIBIT

By: Xavier Torrents
Date: 8/1/2025

-Place cones in the Steinbaugh Pavilion parking lot to block the half where boring location #3 is located.
