Re: Impact Fee Initiative

Dear Ms. Kotichas and Ms. Morgan:

Pursuant to C.R.S. § 31-11-106(1), the form of the initiative petition submitted by you on May 14, 2025 concerning impact fees is hereby APPROVED. However, please note that on page 2, a portion of Section 3.18.030 may be out of order (J, H, K should be H, J, K). If you wish to make this change, you do not need to resubmit the petition form for my review.

The deadline for submitting the signed petitions is 180 days from the date I approve the petition as to form. For the petition to be determined to be sufficient you will need to collect signatures from at least five (5) percent of the total number of electors of the City registered to vote on the date the notice of the proposed ordinance was filed with the City Clerk, which occurred on May 6, 2025.

The Boulder County Clerk advised me that, as of May 6, 2025, there were 16,220 registered electors in the City. Therefore, this petition will require at least 811 valid signatures for it to be deemed sufficient pursuant to Section 7-1(c) of the City's Home Rule and C.R.S. § 31-11-109.

Each petition as circulated must be identical in form to that approved by this office.

Please let me know if you have any questions.

Sincerely,

Genny Kline
Interim City Clerk
