
MEMORANDUM

The City of Louisville Public Works Operations crew will be removing temporary outdoor dining patios within Main St. right-of-way. The current schedule for work is from Monday, November 3 to Wednesday, November 5. It is possible that the closure remains in effect until Friday, November 7, depending on weather conditions.

Alternate routes of Lafarge Ave. and Front St. are advised. Vehicle traffic on both Spruce St. and Pine St. will be allowed to pass through their respective intersections with Main St. The traffic control plan can be seen on the following page. Please feel free to reach out to me with any comments or questions.

Thank you.

Traffic Control

Key

"Road Closed" sign and barrier

Road closed to vehicular traffic

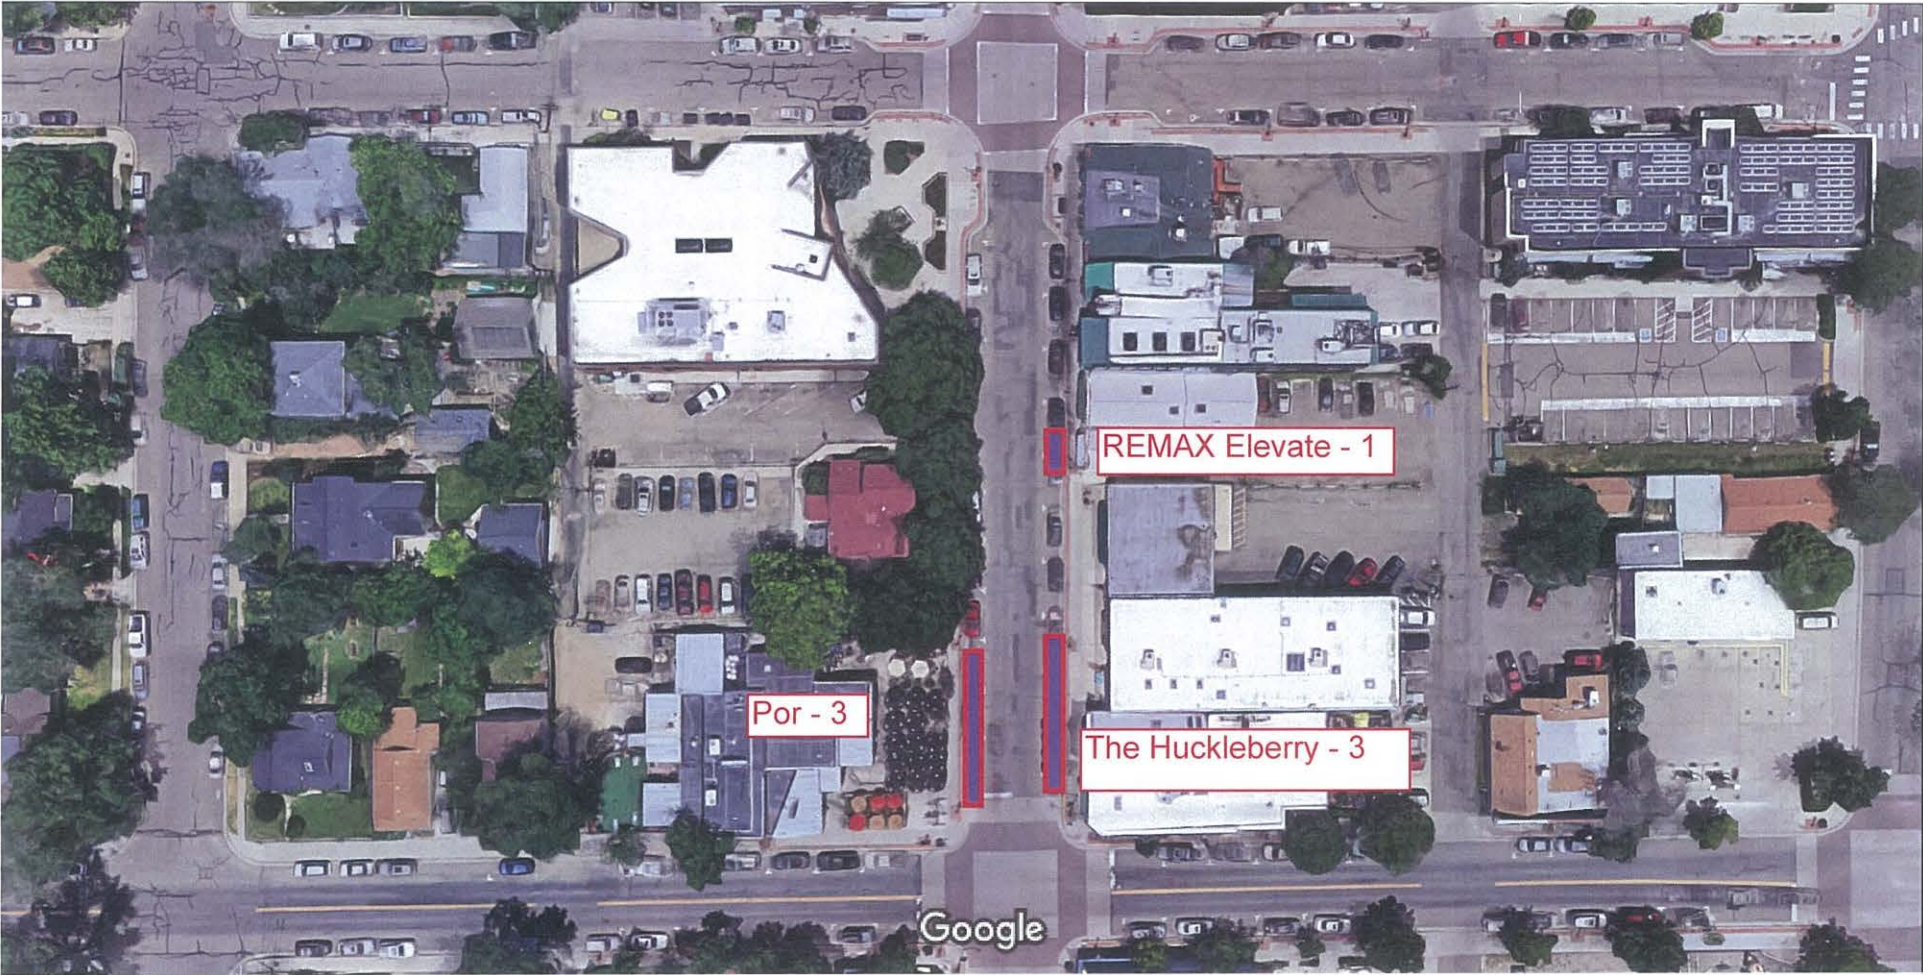

- "Road Closed Ahead" signs should be placed on Main St.

- Detour to either Lafarge Ave. or Front St.

2025 Patio Program: Walnut to Spruce, Main Street

2025 Patio Program: Pine to Elm, Main Street

2025 Patio Program: Front Street & South Street Patios
