Subject: City of Louisville – 2016 611 and 637 Front St. Parking Lot Lighting

Dear Resident/Owner:

The City of Louisville's contractor, B&M Construction, will install three parking lot lights in the 637 Front St. parking lot immediately adjacent to Sweet Cow and will install three parking lot lights in the new parking lot at 611 Front Street. The tentative installation is as follows:

Week beginning June 6th: Directional Drilling in the 637 Front St. Parking Lot

Week beginning June 13th: Directional Drilling in the 637 Front St. Parking Lot

Week beginning June 20th: Wire Pulling, Pole Installation, Asphalt Patching

The work is expected to be substantially complete by July 1st.

Construction activities will occur between 7:00 a.m. and 7:00 p.m., Monday through Thursday. To complete this work it will be necessary at times to close one of the parking lots. The other lot will remain open for public use. Public Works staff will make every effort to reduce the level of inconvenience during construction.

Thank you for your cooperation and we apologize for any inconvenience this may cause.

Joliette Woodson, P.E., Civil Engineer III
